## DEVELOPMENT APPLICATION FORM

Our DA was lodged on Monday 24 February last. It will be listed on Kiama Council's site so that anyone can track its progress.

The application is essentially a package of files which gives details of the proposed building and related developments and other requirements of Kiama Council.

Members are welcome to take a copy of these files. Accessing these files in the past has been tricky because of the size of the package and because they were zipped (compressed).

For these reasons, contact me if you want a copy of these documents and we can try to send them as email but, if that doesn't work, I have put them on a memory stick so that members can copy them directly to their computers.

**CAP** Christians Against Poverty is an international charity which offers free budgeting courses to help people manage their money and debt. They learn to budget, save and prevent overwhelming debt. CAP Money has been running in Australia since 2000 and courses are being run again in Kiama. Sessions will be held at the Kiama Jamberoo Uniting Church cnr Manning and Bong Bong Streets at 7pm on Tuesdays 17th, 24th & 31st March. Bookings are essential as numbers are limited. ### GIVEN

We are chosen, blessed and broken to be given. As Beloved Children of God, we are called to become bread to each other- bread for the world. This vision gives a new dimension to the Elisha story of multiplication of loaves.

Elisha said to the servant who came with twenty barley loaves and fresh grain: "Give it to the company to eat." When the servant protested " How can I serve this to a hundred men?" Elisha insisted: "Give it to the company." He served them; they ate and had some left over.

Is this story not the true story of spiritual life? We may be little servants in the eyes of the world, but we realise God has chosen us from all eternity, sent us into the world as blessed ones, handed us over to suffering; Can't we, then, also trust that our little lives will multiply themselves and be able to fulfill the needs of countless people? Hannah exclaimed in gratitude "My spirit exults in God my saviour – he looked upon a lowly handmaid – and has done great things for me.....from this day forward all generations will call me blessed. "The fruitfulness of our lives, once we recognise it and live it as the life of the Beloved is beyond our imagining.

How different would our life be were we truly able to trust that the blessing multiplied, in being given away! How different would our life be if we could but believe every little act of kindness, every gesture of love, every word of forgiveness, every little bit of joy and peace will multiply as long as there are people to receive it.....and that - even then- there will be left overs.

Loving Father,

Help us to be deeply convinced that our offerings of love and kindness are little mustard seeds that will become strong trees. Let our smiles, our hugs our handshakes be the signs of a community of love and peace. Let the movement of love ripple out into ever widening circles. Let our love overcome depression, anger, resentment and vengeful feelings. Help us to desire to make all of ourselves a gift for others. Let us dance for joy to know we are chosen, blessed and broken to become bread that will multiply itself in giving. Amen

### WEEKEND IN THREDBO VILLAGE.

A weekend in Thredbo Village, staying at Kiama Alpine Club's Lodge has been organised for our Church members. We would suggest a minimum of two nights, but three or more would make it even more enjoyable. Thredbo Village is approximately 440 kilometres from Kiama with a very good road all the way. Average time for the trip would be 5 to 5.5 hours, not allowing for stops for petrol, refreshments etc. Kiama Alpine Club is self-catering, so you would need to take your own food. There is a supermarket in the village and at the time we are looking at going there would be a couple of good restaurants open as well as the Hotel Bistro. You would need to take your own bed linen/towels etc. although they can be hired from the Club at a reasonable cost. Single bed \$22.00 per bed Queen bed \$27.50 per

bed and towels \$11.00 each. This would be for the duration of your stay. You will be advised of the room configuration closer to the weekend. The Club has a well-equipped kitchen, with ample refrigeration and storage. Kiama Alpine Club has its own parking area on site making access very easy.

### Accommodation Charges.

Accommodation is charged on a per person basis per night. Charges are as follows: \$39-00 per night. If we have 6 people or more and we book 2 nights you can have the third night free if you are able to stay the extra night.

### Activities.

Relaxing with a good book, bush walking, tennis, golf, fishing, indoor swimming and squash, toboggan and chairlift rides and mountain bike riding for the adventurous. Also for the ladies: maybe some shopping.

When. May 1st to May 4th 2020.

If you are interested in a great weekend in Thredbo please contact Barry Booth on 0429322209 or email: booth.r1.s1@westnet.com.au Bookings will on a first in basis.

Lodge Location in the Village. 4 Buckwong Place, Thredbo.
