Please remember to sign out as well as signing in. We have been remiss in not observing this requirement of the UCA. It is not necessary to sign for attendance at services or meetings. COVID-19 Update

Church Council is working hard to enable our facilities to be re-opened for community groups and for worship.

All groups must have the express permission of Church Council to re-gather, so if you are thinking about meeting at the church, please contact Kath or Janice.

All external groups must complete a COVID19 Safety Plan and have it approved by Church Council before they commence.

Thank you particularly to Daryl, Cliff, Janice, Meredith and Alan who have been working particularly hard to coordinate people, materials and paperwork.

Several groups are beginning to think about gathering again and some are being creative in the ways they are connecting. The Men's Shed met in Coronation Park last week and enjoyed a BBQ together. One of our Bible Study groups has met for a meal and will meet face-to-face again. The monthly prayer gathering met last week. Some people from the music group at Jamberoo have met in the park and some folk from Jamberoo gathered for morning tea. The Meditation group has been meeting by Zoom and is looking to meet face-to-face in the Lecture Hall from 22 July. I want to encourage you to meet as you feel comfortable but keep in mind the need to keep physical distance and maintain hand hygiene.

In the meantime, please keep in your prayers people who are still impacted by the pandemic - our neighbours in Victoria, and people in parts of the world where health systems are stretched and shutdowns or isolation is not possible.

COMMUNION AT JAMBEROO – Sunday 26 July

If you would like to participate in this opportunity to meet face-to-face and to share in Communion, please contact Kath. You MUST let us know you are coming so we can manage numbers. The service will be held in the afternoon - time to be advised.

BUILDING AT KIAMA

The builder will begin work on removing the stage, and rebuilding a smaller stage, in the Kiama Fellowship Centre this week. Please stay away from this area while this work is in progress. We look forward to worshipping together in the new space sometime soon!

Dear Father, we praise You for all the wonderful things that You shower upon us. As we look around we see the beauty of Your creation, we give You thanks. We also give thanks for the friends that we have met through You and being able to enjoy their company.

We pray to You Father asking for Your guidance in all that we do and say. Asking that we are able to see the right way to go and the right attitudes to have in difficult times. We pray for those we love and those who may be distressed at this time. Make Your presence known to all that we meet this week. *Amen*
