Coming Up

Lent Event is inspired by a simple but powerful idea. That every one of us has a role to play in building a world free from poverty and injustice.

It's especially true of the issue of climate change.

Climate change is worsening every threat to peace, security and human wellbeing in our world.

It's going to take all of us, doing all we can, with all our hearts, to fight it.

We believe people of faith have a powerful role to play in taking meaningful climate action, as well as inspiring hope and courage to face the future.

Join us for Lent Event. 14 February – 28 March 2024

Commit to 40 days of faithful action for God's creation. Start wherever you're at with a large or small sustainability challenge. Use it to fundraise to help vulnerable communities who are fighting to build resilience and mitigate climate impacts. Raise your voice.

Along the way, we'll be considering the role of faith in caring for God's creation through a series of short devotions and video interviews with our partners and theologians. Here's a little pitch video with the help from some of our partners sharing the world we want to see... <https://vimeo.com/903953727>

Strategic / Mission Planning

Over the past few months, the Church Council has been considering how we go about planning together as we dream about God's future for us as a community of faith. Towards the end of last year, we agreed that we need to try something a bit differently and to consider how we might listen deeply to the hopes, dreams and needs of our local community, and then how we might work in partnership with others to share the love and life of Christ with our community. But where to start?

Just this last week, I heard a phrase this week that points to the kind of skills we want to refresh – "relational competence" – which, I think, speaks to our ability to engage with people around us in conversation that is more than "small talk", such as the rainfall and sports results. We need to learn again how to engage deeply with the people around us and to have the confidence to ask deeper questions of ourselves and of others.

We are hopeful that a good portion of our congregation will engage in this process and learning, and we are conscious of not imposing too much on people's availability for "extra commitments". So, we are going to hold 3 sessions after church on Sundays for no more than 2 hours at a time (say, 11.30am-1.30pm) and we will serve a simple lunch. Please put these dates in your diary now:

- Sunday 24 March - Who do we need to be talking with?
- Sunday 14 April - What have we heard?

Kiama Jazz and Blues Festival – 9-10 March

We have been working with the organisers of the festival to turn the Lecture Hall into a performance space for Friday/Saturday for an outdoor space on Sunday. AND the Gospel Service will be back to full-strength this year from 12pm at Ss Peter and Paul Catholic Church, with the Auburn Uniting Church Choir coming to perform. Unfortunately, the Choir is unable to come for the whole weekend, but we will be hosting them for lunch after the Gospel Service. All are welcome to share in hosting from about 1pm. If you are able to help with catering and hospitality, please speak to Stephanie.

Auburn Uniting Church Tongan Choir

As part of the Kiama Jazz and Blues Festival, we are delighted to be able to have the uplifting voices of the Auburn Uniting Church Tongan Choir. The Auburn Parish has three vibrant congregations in the Auburn/Berala area of Western Sydney, NSW. These three congregational choirs will be combining to share their faith, joy, and Christian witness in song. Come and experience the explosion of rhythmic, melodic and harmonic power in sung prayer.

This is the information which has been sent by Angel Quinn to advertise the Gospel Service on 10 March at 12 noon in Ss Peter and Paul Church. Don't miss it! For our newer members information, we have hosted them before and the tapa hanging at the back of the church was a gift from the Auburn Church. Helen Laidlaw

Name Badges

Please remember to wear your name badges. It is really helpful when there are visitors or new people for them to know your name. If you would like a Uniting Church name badge (white writing on black background), please write your name IN CAPITALS and give it to Meredith Yabsley. **Cost: \$15**

Hospitality with a smile

Some months ago, in our negotiations with Richard and Lucy and their Slow Dough business, the Church Council agreed to allow their customers to access our bathrooms during the Bakery's operating hours. It is a requirement of Kiama Council that any new commercial

kitchens also provide *accessible* bathrooms for their customers. We see this as another way we can provide hospitality to members of the public with a welcoming smile. The external door closest to the bathrooms has a different lock and the Slow Dough Bakery has a key they can give to their customers who ask for access. At the end of each of their working days, Richard or Lucy will be checking the bathrooms to make sure they are tidy. Please make visitors feel welcome.

Can You Help?

Pews for Sale: Church Council and the Property Committee have agreed to sell the longer of the red cedar pews at Jamberoo and to replace them with chairs. We will retain the 4 or so shorter pews and a couple of longer pews; the rest are up for grabs - so we are offering them first to you and to anyone you may know before we advertise them more widely. **They are \$400 each, ono,** and you will need to arrange pick-up. If you are interested, please speak to Meredith or one of the Property Committee.

Bay and Basin Food Pantry

Just prior to Christmas we received a donation of some backpacks for teenage girls with personal items in them. We were a little overwhelmed with the amount and all the other activities going on but this week we delivered 12 backpacks to Vincentia High School and another community group who are assisting teenagers who are couch surfing. It is such a delight to be able to support people in the community who are struggling. Don't forget to put your food donations in the green trolley at the back of the church. The woman who had 9 cents in her bank account all last week was very grateful for your assistance.

PRAYER

Lord, we lift our eyes to you.
As the sun rises, may this moment stay with us,
reminding us to look for the beautiful colours of
promise in your word.

Lord, we lift our prayers to you.
As the dew air falls, may we breathe this
morning in and
know that like the earth,
you sustain us, keep us and work within us
always.

In Jesus name

Amen
