South Illawarra Older Women's Network

Kiama now has a new branch of Older Women's Network. It is named SLOWN being South Illawarra OWN and covers Shellharbour to Berry. They have had one meeting and it seems very interesting with women from all sorts of backgrounds. It will meet on the third Friday of the month at St Peter & Paul's meeting room from 2pm till 4pm. Speak to Marion Rattray for more details.

Strategic / Mission Planning

Over the past few months, the Church Council has been considering how we go about planning together as we dream about God's future for us as a community of faith. Towards the end of last year, we agreed that we need to try something a bit differently and to consider how we might listen deeply to the hopes, dreams and needs of our local community, and then how we might work in partnership with others to share the love and life of Christ with our community. But where to start?

Just this last week, I heard a phrase this week that points to the kind of skills we want to refresh – “relational competence” – which, I think, speaks to our ability to engage with people around us in conversation that is more than “small talk”, such as the rainfall and sports results. We need to learn again how to engage deeply with the people around us and to have the confidence to ask deeper questions of ourselves and of others.

We are hopeful that a good portion of our congregation will engage in this process and learning, and we are conscious of not imposing too much on people's availability for "extra commitments". So, we are going to hold 3 sessions after church on Sundays for no more than 2 hours at a time (say, 11.30am-1.30pm) and we will serve a simple lunch. Please put these dates in your diary now:

- Sunday 21 April - What have we heard?

Find out how public actions can be a part of a broader push to shift climate policies and move us towards a safer, more equitable future. We will focus on understanding the current political system, what needs to change and how we as a faith-based community, concerned about care for people and the planet, can contribute to that. Topics will range from issues facing rural communities, how catastrophic climate change magnifies social disadvantage, the importance of youth climate action, how to have effective climate conversations, Pacific climate impacts and solidarity and more! It will also be a chance to get informed and involved in our climate advocacy strategy in the lead up to the next Federal Election (this year or next!) - aiming to keep strong climate action on the agenda regardless of the outcome. Your feedback and active involvement will be vital.

The conference will be held at Uniting Centre for Ministry for those who can attend personally, but all keynote sessions will be streamed for online participants. For the first time, there will be dedicated workshops for both face to face and online attendees. This is to provide fuller participation for our online community.

Possible sale of the Irvine Street Manse

Over the last few months, the Property and Finance Committee and subsequently, the Church Council, have been discussing whether it is time to sell the Irvine Street Manse and replace it with a newer residence requiring less maintenance. The current manse is

large and about 60 years old and there have been a string of repairs and ongoing maintenance issues in the last year. We have done some homework and received an appraisal from a Real Estate Agent, and we now believe it is time to find a slightly smaller residence that will have fewer maintenance issues. The rules of the church have changed around the size a manse needs to be and as long as we provide a residence for our minister it is up to the minister to decide whether to live in it or not. The current manse is rented out to a third party as Kath has her own home. If you have any questions or suggestions, please speak to anyone on the Property and Finance Committee or to Janice Freeston.

From the Church Council

At the meeting of the Church Council on 9 April 24 we considered the two reports from the Presbytery Pastoral Relations Committee (PRC) on the Life and Witness of the Congregation and the Vitality of Kath's ministry at Kiama Jamberoo. You may remember filling out a survey one Sunday morning after the service to assist in this process and then a few weeks later a team of 3 attended worship and chatted with various individuals and groups afterwards. Both reports were overwhelmingly positive about how the congregation is travelling and about our facilities and the property maintenance. The reports noted that there is energy in the congregation, people feel welcomed, accepted and connected. The Presbytery team acknowledged that Kath brings a positive influence not only to the congregation but to the wider community and ecumenically. Kath's preaching and worship leading is open, well prepared and theologically helpful. Our Pastoral Care team are well organized and diligent.

There were a number of recommendations from both reports which the Church Council has discussed and will respond to over the coming months. We are delighted that Kath's call to this congregation has been affirmed and we look forward to continuing to grow in our faith together and to having a positive influence on the Kiama Jamberoo community as we share God's love for all people.

HOLY LAND

Religious leaders issue resounding call for permanent ceasefire

Uniting Church President Rev Sharon Hollis, three Uniting Church Moderators and several other senior UCA leaders are among 106 signatories to an Open Letter calling for an immediate and permanent ceasefire in Gaza.

Signed by religious leaders across the country, the letter urges parliamentarians to advocate for an end to military support for all parties, the immediate and secure flow of aid into Gaza, and the return of hostages held by Hamas and Israel.

"The war is inflicting immense pain and suffering on Israeli and Palestinian communities across the globe, including Australia," said Rev Hollis.

"It's vital that our politicians show courage and wisdom by uniting to calm community tensions and call for a permanent end to the horror unfolding in Gaza."

Uniting Church Moderators Rev David Fotheringham (Vic/Tas), Rev Bruce Moore (Qld) and Rev Peter Morel (SA) also signed onto the letter, alongside other senior leaders from UCA agencies and theological colleges.

The Uniting Church Assembly has been calling for an immediate ceasefire and the urgent protection of civilians since war broke out in October. We will continue to pray and advocate as our hearts ache and cry out for a just peace in the land of Jesus' birth.

Advance Offering

The Church Council asked the Presbytery if it was able to advance the Congregation the amount we need to replace the roof on Uniting House, however the Presbytery is not able to assist at this time. So, we are moving to "Plan B" which we floated in January. We are therefore asking church members who are able to, to make an advance payment of some of their offering and then reduce their offering over the next 2-4 years to compensate.

Some examples:

Advance \$1000 to the congregation and reduce your offering by \$500 for the next two years.

Advance \$10000 to the congregation and reduce your offering by \$2500 over the next 4 years.

This means that you have not increased your giving commitment and the congregation has effectively received an interest free 'loan'. If you are able to assist the church in this way, you can simply make a deposit to the Building Fund (account details on the back page) and decide for yourself the number of years you will reduce your offering amount for. If you have any questions, please speak with Geoff Boxsell on 02 42360161 or vboxsell@bigpond.com

Can You Help?

Pews for Sale: Church Council and the Property Committee have agreed to sell the longer of the red cedar pews at Jamberoo and to replace them with chairs. We will retain the 4 or so shorter pews and a couple of longer pews; the rest are up for grabs - so we are offering them first to you and to anyone you may know before we advertise them more widely. **They are \$400 each, ono**, and you will need to arrange pick-up. If you are interested, please speak to Meredith or one of the Property Committee.

Lids4kids (<https://www.lids4kids.org.au>)

is a volunteer project to rescue **plastic bottle lids** from landfill to protect our environment for future generations and wildlife. Once processed these lids are sent to recycling workshops to create sustainable products such as park benches, kitchen splashbacks, skateboards and cubbyhouse roof tiles. They also collect **used plastic and foil medicine blister packs**.

There is a small box at the front entrance, and a large container at the back of the Worship Centre to place your donations. They are taken to

The Kiama Community Garden who collects them and sends them to Canberra for processing.

PRAYER

O risen Christ, who in your first appearance to Mary was mistaken for the gardener:
be present with us, and show yourself to us in all our mistakes and uncertainties.

O risen Christ, who appeared to your dejected disciples on the road to Emmaus, and
opened to them the scriptures so that their hearts burned within them:
be present with us, and set our hearts on fire with love for you.

O risen Christ, who gave to your distraught followers the assurance of
healing and forgiveness:
be present with us, and bring together all Christians in peace and
harmony.

O risen Christ, who, mindful of the needs of your disciples,
prepared a meal by the Sea of Galilee:
be present with us, and make yourself known to us in all acts of
hospitality and sharing.

O risen Christ, who in your final appearance on the Mount of
Olives, lifted up hands of blessing on the disciples, and through them,
on all people: be present with us, and grant that our prayers today may be taken up into
yours, on behalf of the whole world. *Amen*
